MARINE SILICONE UPHOLSTERY
POWERED BY SiOTM TECHNOLOGY

eNVISION

Engineered for Performance. Designed for Luxury.

STATE OF THE ART SEATING

Envision upholstery material in this Chaparral is made from 100% SiO™ Silicone making it virtually maintenance free.

WHAT IS SiO SILICONE?

SiO is a very pure form of silicone which, unlike conventional marine seating, is free of chemical additives.

SiO's angular resin technology offers enhanced durability, robust scuffing and scratch resistance, and the softest and most comfortable marine seating surface available today.

PERFORMANCE

- Extreme Solar Resistance
- Mildew Resistance
- Saltwater Resistance
- Superior Stain Resistance
- Resistance to Oils and Suntan Lotion

HUMAN FRIENDLY. EARTH FRIENDLY.

Envision with SiO Silicone is designed with people in mind.

- Ⓔv Maintains a cooler and more comfortable surface touch, even in hot sun.
